

SAACB (Chemical Pathology) PROGRAMME

THURSDAY, 1 SEPTEMBER 2011			
TIME	SESSION	SPEAKER	VENUE
08:00 – 10:00	Registration		Exhibition Foyer Level 0
10:00 – 10:05	Welcome by LMC 2011 Chairperson	Jenny Hind	Ballroom Level 2
10:05 – 10:30	Official Opening by CEO of NHLS	Saggie Pillay,	Ballroom Level 2
10:30 – 11:00	Address by Ministry of Health representative	TBC	Ballroom Level 2
11:00 – 11:30	Tea / Coffee / Exhibition	SAACB Poster session	Exhibition 1 Level 0
11:30 – 12:30	Hendrik Koornhof Guest Address: <i>Tuberculosis: “a social disease with medical manifestations”</i>	Jill Murray	Ballroom Level 2
12:30 – 13:00	SMLTSA Education Forum <i>The New Bachelor of Health Science: Medical Laboratory Sciences</i>	Johan Esterhuysen	Ballroom Level 2
13:00 – 13:15	<i>Who is to Blame Anyway? A Board Examination Gone Wrong</i>	Neil de Villiers	Ballroom Level 2
13:15 – 14:15	Lunch		Exhibition 1 Level 0
14:15 – 15:00	SAACB Educational session 1: <i>Inborn errors of metabolism1:</i> CPP1 Diagnosis and early management of inborn presenting around the time of birth	<i>Prof Leonard CPP1</i>	Committee room 4 Level 4
15:00 – 16:00	<i>Point of Care Presentation from the UK</i> Sponsored by Scientific Group	Dr.Wayer	Ballroom Level 2
16:00 – 16:30	Tea / Coffee	SAACB Poster session	Exhibition 1 Level 0
16:30 – 17:45	<i>Keynote address</i>	Dr Kerin Begg	Ballroom Level 2
17:45	Official Opening of Exhibition		Exhibition 1 Level 2
18:00 – 20:00	Cocktail Networking Function Sponsored by Abbott		Exhibition 1 Level 0

FRIDAY, 2 SEPTEMBER 2011			
TIME	SESSION	SPEAKER	VENUE
07:00 – 08:00			
08:00 – 08:45	SAACB Plenary CPP2 <i>State of Art of POC Connectivity</i>	Juan Miguel Venturello Hemocue	Ballroom Level 2
08:55 – 10:20	SAACB Plenary <i>PoCT and Quality management</i> CPP3 Organising PoCT External Quality assurance program in rural and urban settings. CPP4 Point of Care Testing: To Use or Not to Use In a South African Context	Janice Gill Janette Wassung	Committee 4 Level 4

10:20 – 10:45	Tea / Coffee	SAACB Poster Session	Exhibition 1 Level 0
10:50 – 11:30	SAACB Education session: CPP5 <i>Using EQA to Monitor your Method</i>	Janice Gill RCPA	Committee 4 Level 4
11:30 – 13:15 11:30-12:20 12:20-13:15	SAACB Education session: CPP6 <i>Inborn errors of metabolism 2: Screening for inborn errors of metabolism: advantages and disadvantages</i> Case presentations on Inborn errors of metabolism.	Prof Leonard Dr David Haarburger	Committee 4 Level 4
13:15 – 14:00	Lunch SAACB-EXCO	EXEC members	Committee 4 Level 4
14:00 – 14:50	SAACB: Educational Session: CPP7 <i>Epigenetics and molecular biology</i> Epigenetics	Jaysen Knezovich	Committee 4 Level 4
15:00 – 16:00	SAACB Plenary CPP8 Systems Biology	Dr A Remaley	Committee 4 Level 4
16:00-16:30	Tea/Coffee	SAACB Poster Session	Exhibition 1 Level 0
16:30-17:30	SAACB Oral Presentations: Molecular biology CPOP1; <i>Analysis of the SLC34A3 gene in a patient with Vitamin D deficiency</i> CPOP2; <i>Are polymorphisms in the melanocortin-4-receptor gene associated with obesity in black South African children?</i> CPOP3 <i>Clinical utility of transcriptional profiling in South African breast cancer patients</i>	Dr C V Niekerk Sindisiwe Mnyosi Kathleen Grant	Committee 4 Level 4
17:30 – 19h00	SAACB AGM	All members	Committee 4 Level 4
19:00 for 19:30	SMLTSA Congress 21 st Birthday Bash		Pavilion Level 5

SATURDAY, 3 SEPTEMBER 2011			
TIME	SESSION	SPEAKER	VENUE
08:00 – 09:00	Bunny Becker Memorial Lecture: <i>The Modern Pathologist</i>	RunjanChetty	Ballroom Level 2
09:10 – 10:00	SAACB Oral Presentations <i>Quality management</i> CPOP4 <i>The health technology assessment program at the NHLS</i> CPOP5 <i>Developing an inter-laboratory quality assurance program: the Pathcare experience.</i> CPOP6 <i>Is there a suitable ISO standard for use in accreditation and quality management of medical research</i>	Sarvashni Moodliar Janette Wassung SS Cohen	Ballroom Level 2

	<i>laboratories?</i>		
10:00 – 10:40	Tea / Coffee	SAACB Poster Session	Exhibition 1 Level 0
10:40 – 11:20	SAACB Oral Presentations <i>Quality management</i> CPOP7 <i>The NHLs service delivery improvement programme: Customer satisfaction survey 2010/2011</i> CPOP8 <i>Laboratory challenges in providing a quality point of care service</i>	Sarvashni Moodliar Ndwakhulu Nemuthengame	Committee room 4 Level 4
11:30 – 12:15	SAACB Plenary <i>Lipids, Cardiovascular disease and endocrinology</i> CPP9 <i>New cardiovascular therapies</i>	Dr A Remaley NIH	Committee 4 Level 4
12:15 – 13:15	SAACB Oral Presentations CPOP9 <i>Genotypic characterization of South African patients diagnosed with type 1 Diabetes Mellitus</i> CPOP10 <i>The anthropometric determinants of metabolic syndrome-related variables changes with increasing BMI</i> CPOP11 <i>Adiponectin levels in prediabetes and its association with Cardiovascular risk factors</i>	Dr CJ Padoa Prof NJ Crowther Dr AE Zemlin	Committee 4 Level 4
13:15 – 14:00	LUNCH		Exhibition 1 Level 0
14:00 – 15:00	<i>The Consumer Protection Act and recent Medico Legal Developments in Pathology</i>	Graham van der Spuy	Ballroom Level 2
15:10 – 16:10	SAACB Oral Presentations CPOP12 <i>Lipid Levels in Healthy Caucasian and Mixed Ancestry Males and Females from Western Cape, South Africa</i> CPOP13 <i>Pregnancy and postpartum metabolic profile of Black women attending the Antenatal Clinic in the Charlotte Maxeke hospital.</i> CPOP14 <i>Altered Testosterone homeostasis with long-term exposure to endocrine disruptors</i>	Francois Smit Dr Marketa TOMAN Dr Rhena Delport	Committee 4 Level 4
16:10 – 16:30	Tea/Coffee	SAACB Poster session	Exhibition 1 Level 0
16:30 – 17:30	SAACB Oral Presentations CPOP15 <i>Adrenal cortical carcinomas in the paediatric population at Chris Hani Baragwanath hospital.</i> CPOP16 <i>Assessment of iodine deficiency among school-going children in the Bie Province, Angola</i> CPOP17 <i>Endothelial microparticles: A possible role in inflammation and</i>	Dr D van der Byl EE Strydom Elzette Le Roux	Committee 4 Level 4

	<i>thrombosis.</i>		
19:00 for 19:30	SMLTSA 60 th Anniversary Gala Awards Dinner	Sponsored by NHLS	Pavilion Level 5

SUNDAY, 4 SEPTEMBER 2011			
TIME	SESSION	SPEAKER	VENUE
07:00 – 08:00	FSASP AGM	FSASP members	Committee 4 Level 4
08:00 – 09:00	<i>The British NHS – an example of a Nationalised Health System – why it was set up and how does it work?</i>	Doris-Ann Williams	Ballroom Level 2
09:10 – 10:00	SANBS Plenary		Ballroom Level 2
10:00 – 10:30	Tea / Coffee	SAACB POSTERS	Exhibition 1 Level 0
10:30 – 11:20	SAACB Plenary CPP10 Emerging technology in Forensic Toxicology – Multiplex testing with Biochip arrays	Randox sponsored talk Dr Richard Bell	Committee 4 Level 4
11:20 – 12:00	SAACB Oral Presentations CPOP18 <i>The implementation of good laboratory practices (GCLP) in a SANAS accredited laboratory involved in a clinical trial.</i> CPOP19 <i>Effects of palm oil on plasma antioxidant capacity in rat model of tertiary-butyl hydroperoxide-induced oxidative stress</i>	M. MARKS Ms OBL Alinde	Committee 4 Level 4
12:05 – 13:00	SAACB Plenary CPP11 Overview of biological monitoring of chemical exposures in the workplace	Ina Naik	Committee 4 Level 4
13:00 – 13:30	LUNCH		Exhibition 1 Level 0
13:30 – 15:45	SAACB Oral Presentations CPOP20 <i>Identification of Cantharidin use in a South African traditional remedy</i> CPOP21 <i>Paracetamol: Just what the doctor ordered. Really?</i> CPOP22 <i>Mycotoxins in blood: implications for human health</i> CPOP23 <i>Extraction methods and disc diffusion test for evaluation of medicinal plants antimicrobial activity</i> CPOP24 <i>The medico-legal investigation of sudden unexpected infant deaths in South Africa: Lessons learned from the past to unite in future</i> CPOP25 <i>Poisoning admissions in Accident and Emergency Department at Nelson Mandela Academic Hospital, Mthatha between 2005</i>	Ildiko Jean Fenyvesi Dr. Tebogo Seape Mike Dutton MR.NHLANHLA W.NSELE Dr L du Toit-Prinsloo Prof De Meel	Committee 4 Level 4

	<i>and 2006.</i> CPOP26 <i>CASE PRESENTATION:</i> <i>Methanol poisoning</i>	Dr Reggie Perumal	
15:45– 16:00	Tea		Ballroom Level 2
16:00 – 16:30	Congress Closing Session		Ballroom Level 2
